

WSE-200 IGBT

NO.	Name
1	2nd inverter drive board
2	control board
3	1st inverter main board
4	ARC board
5	IGBT
6	vertical beam
7	radiator
8	diode
9	beam
10	rectifying board
11	2nd inverter main board
12	output strips
13	gun switch board
14	power switch
15	water joint
16	fan guard
17	fan
18	solenoid valve
19	current display
20	function switch
21	knob
22	potentionmeter
23	quick connect socket
24	aviation plug
25	electric terminal
26	connection strap
27	handle
28	top panel
29	bottoom panel
30	front (up) panel
31	front (down) panel
32	power wire
